

McHugh Career Advising Services and Fees

Who Can Benefit?

If you are on the job market you can benefit from McHugh's advice. If you are new to the world of work you will learn the basics and receive advice to help you launch your career. If you are an experienced worker, McHugh can give you a refresher course in managing your career.

How Can I Benefit

- Receive coaching and an objective, expert perspective
- Learn how to think strategically about your career
- Learn from McHugh's experience as an executive, executive recruiter, and as an interviewee and a job seeker.
- Build your confidence as you search for a job
- Land the job you want

Hourly Rate

- **\$150** per hour. **\$100** an hour thereafter — only increments of one-hour.
- **\$150** written evaluation of your cover letter and resume
- **\$200** practice interview with written evaluation
- Student discounts available

Terms: All fees paid in advance. PayPal is available.

Phone Calls A 15 minute consultation at no charge. During that conversation McHugh will learn your needs and to determine whether or he can help you. After that initial conversation, you will be billed at the rates quote above.

Confidentiality Assured Our work together will be private and confidential.

To Learn More About McHugh read McHugh's Career Management papers at his website.
